

NIBRA-CS®

Proudly Backed by

BIRAC (DBT) & DST
Government of India

BIRAC
(Dept. of Biotechnology)
Government of India

Department of
Science & Technology
Government of India

NIBRA-CS® (Non-Invasive Baro-Reflex Assessment Combined System) is an indigenous, patented medical technology for comprehensive evaluation of autonomic function and cardiovascular health.

Strengthening Indigenous Innovation. Advancing Healthcare.

• HOW NIBRA-CS® IS SUPPORTED •

1

BIOTECHNOLOGY IGNITION GRANT (BIG-19)
from BIRAC, DBT, Government of India

Awarded under BIG-19 program to support early-stage development, proof-of-concept, validation and translational advancement of NIBRA-CS® — a breakthrough non-invasive technology for autonomic and cardiovascular assessment.

2

AGC-JanCARE GRANT
from BIRAC, DBT, Government of India

Supported under the AGC-JanCARE initiative to accelerate clinical and technological advancement of NIBRA-CS® focusing on geriatric and autonomic healthcare innovation for improved patient outcomes and healthy ageing.

3

NIDHI PRAYAS GRANT
from DST, Government of India

Awarded under the NIDHI PRAYAS program to support prototype development, product engineering, testing and early innovation-stage activities for bringing NIBRA-CS® closer to the market.

4

FEATURED ON BIRAC TECHNOLOGY PORTAL
(Devices & Diagnostics Category)

NIBRA-CS® is recognized as an indigenous healthcare innovation on the official BIRAC Technology Portal, showcasing its scientific excellence, innovation potential and societal impact.

5

RECOGNIZED ON NATIONAL SCIENCE & INNOVATION PLATFORM
India Science, Technology & Innovation Portal (Government of India)

NIBRA-CS® is featured on the official National STI Portal as a notable technology contributing to strengthening India's science, technology and innovation ecosystem.

• IMPACTING HEALTH. EMPOWERING INDIA. •

Advanced non-invasive
assessment of autonomic
and cardiovascular function

Early detection & risk
stratification for better
patient outcomes

Indigenous innovation
aligned with
Atmanirbhar Bharat

Accessible, reliable & scalable
solution for diverse healthcare
settings

Strengthening India's
medtech innovation
and global competitiveness
